

# West Virginia: Federal Investments in Biking and Walking

Will YOU support dedicated federal funding for bicycling and walking?

## Federal Investments

**\$6,517,203** average annual funds for bicycling and walking.

**101** biking and walking projects a year

Three federal programs provide these dedicated funds for biking and walking:

Transportation Enhancements

Safe Routes to School

Recreational Trails

## Bicycling Means Businesses

109

Bicycle Retail Stores

483

Jobs

**\$44,883,000**

Annual Gross Revenue

## Fair Share for Safety in Your State

Eliminating the tiny percentage of funding for bicycling and walking projects will worsen the existing discrepancy between funding, safety and the number of trips made by foot and bike.
