You're in good hands.

As the Bicyclist, you MUST

- Stop for stop signs and red lights
- Ride with, not against traffic
- Yield to vehicles and other bicycles when you do not have the right-of-way
- Not ride on sidewalks or crosswalks
- Use a white front headlight and a red rear reflector after dark

Maximize your
visibility and predictability

*Why is this cyclist riding in the middle
of the lane?!*

- See and be seen
- Avoid hazards
- Prevent squeeze pass
- Prepare for left turn
- Lane too narrow to share
